For over 35 years, we have specialized in brand identification, informational labeling and promotional solutions for the apparel and textile industries. Let us help you with the best ways to tag and label your products.

**Woven Labels:**

Woven Labels are a great way to identify your brand. From thousands to millions, we offer quality weaving at competitive pricing. Whether satin, damask, high definition, or laser cut, we can help design the ideal labels for your products.

**Hangtags:**

Hangtags draw a customers' attention and add value to your product. Whether you are reinforcing your brand or providing additional information such as size, style, or sku, hangtags are a vital part of product sales. From basic price tickets to full color, die cut, string tags, let us add value to your product.

**Printed Labels:**

Starting with a basic label, to a multi-color, double sided satin label, we stock a variety of materials in multiple widths for you to choose from. Not sure what you need? Contact us and we will find the best fit for your product and budget.

**In Stock Items:**

We stock a variety of production labels for immediate delivery. Do you need care labels, size tabs, Made in USA labels and/or size strips? Let us help you with affordable labels that ship quickly.

Are you new to labeling and branding? Let our experienced sales team, and in-house art department create the best options for your products.

**THINGS TO CONSIDER:**

- How are you going to sell your goods? (online, stores, catalog, trunk shows)
- How are you applying your label on your product? (Sew in a seam, sew all 4 sides, heat seal, adhesive)
- When do you need these? (3hrs - 3 weeks)
